A great place to grow

Welcome to Sunrise School

Welcome to **Sunrise School**. We hope you find this information helpful and informative.

We are a small, friendly school and take great pride in our **warm and inclusive community**. Together, our **children, parents, and staff** create a positive, productive, and respectful environment—one where **every child truly counts**.

We believe that fostering a **caring and nurturing atmosphere**, where learning, self-expression, and enjoyment blend with **good manners, positive behavior, and mutual respect**, is the key to building a school in which children can **learn, grow, and thrive**.

Parents are a **vital part of our school community**. We value your partnership in supporting your child's learning and working alongside our staff to create a **happy, vibrant, and nurturing school environment**.

Our Vision

To inspire in every child a **love for learning** and the **confidence to explore, grow, and achieve** as individuals. Our goal is to nurture and empower the **emerging leaders of tomorrow**.

We are committed to imparting a meaningful **synergy of skills, knowledge, and values**, helping children discover their **inner voice** and equipping them to thrive in the **21st century**.

Our Mission

We aim to ensure that every child who earns a place at Sunrise School makes **strong personal and academic progress**, enjoys learning, and feels **safe, secure, and happy**.

We believe that **every child deserves access to quality education** in a nurturing and supportive environment. By **inculcating strong values**, we strive to develop **sensitive, responsible, and compassionate global citizens**.

Through the right blend of **knowledge and skills**, we encourage our students to think beyond themselves and **actively contribute to positive change in the world**.

Curriculum

Our school follows the state of Maharashtra curriculum which is progressive in its outlook and ever-evolving.

Our proactive methodologies emphasize experiential learning, ensuring students understand not only what to do and how to do it, but also why it matters.

The school curriculum strives at inculcating “out of box” thinking among the students.

Worksheet and activity-based learning.

In addition to regular classes, the school has instituted special measures to open the minds of students to the wider world beyond the syllabus. Robotics, Abaci etc. are subjects will teach beyond the textbooks.

Sunrise school ensures that parents have regular feedback sessions with educators. The Sunrise school has state of art play equipment and teaching aids.

Safety and security are maintained by CCTV surveillance.

As a family, we have always supported education. By working with such young children we are working at the grass root level of society. The thought that the actual paradigm shift in society can be brought by giving the right education to children, made us start with this venture. It is a work of great responsibility to empower the children with the right tools and thereby shape the future of tomorrow.

School New Academic Year

The academic year begins in June and goes on till April every year.

Computer Education (ICT)

We have a well-equipped computer lab in the school to support hands-on learning for our students. Computer education is a compulsory subject from **Grade I**, and all students are provided regular computer lab practice as an integral part of their learning process.

In this era of rapidly evolving technology, computers have become an essential part of our daily lives. It is therefore imperative that children are exposed early to the benefits of technology and are equipped with the skills required to thrive in a digital world.

At **Sunrise**, we have made a conscious effort to integrate **Computer Studies**, also referred to as **Information and Communication Technology (ICT)**, into our curriculum. This integration is achieved through focused classroom instruction combined with practical, activity-based learning in the computer lab. Our approach ensures that students not only gain theoretical knowledge but also develop confidence and competence in using technology effectively.

E-Learning

We run E-learning program for all students. Students learn education very easy way. From Nursery to class VII provide education learning through E-learning. We are using Smart TVs, Mobiles, Computers, Tabs & Laptops for e-learning study.

Events: Independence Day celebration, Drawing Competition, Dress Competition, and other activities conducted at school premises.

The Sunrise School is very conscious of inculcating discipline and values in all, its staff, students, and parents as we endeavour to fulfill our roles in society, as we strongly believe that good values stay and deliver for life.

- 1) Students shall avoid absenting themselves from school activities and classroom lessons.
- 2) Come to school looking fresh and smart, and in proper, clean and well ironed, uniform
- 3) Parents and students shall address the school staff in a respectful, polite, and professional manner. The use of the right tone and tenor is important. Failure to do so may warrant disciplinary action.
- 4) Parents shall meet with teachers and the principal during school hours only.
- 5) We will not entertain any bad language or bad words from parents or from the students.
- 6) Care must be taken to keep the school clean at all times.
